(*3*) The list of voters of wards shall be made in separate lists, called ward lists, one for each ward into which the city is divided as hereinafter provided, containing the names of persons entitled to be enrolled as voters of that ward. The ward lists and the list of justices and the list of fellows shall be collectively deemed to constitute one list.

---

[a] Portion repealed by Act XVI of 1895 is omitted.

(*4*) In preparing the ward lists the Commissioner shall enter therein the names of the persons who have been assessed to the qualifying tax, whether such persons be individuals, companies, firms, undivided families or other associations or bodies of individuals, and shall also enter the names of persons who have been assessed as the trustees of any building or land.

(*5*) If individual members of any company, firm, undivided family or other association or body so entered, or if trustees whose names are so entered, have been assessed on their own separate account to the qualifying tax, the Commissioner shall enter their names in the list separately.

(*6*) The Commissioner shall publish the list, prepared as aforesaid, by causing a printed copy thereof to be fixed for public inspection in a conspicuous position on every municipal office on or before the ninth day of October and to be kept so fixed during the remaining days of October. Printed copies thereof shall also be delivered to any person requiring the same, on payment of such reasonable fee for each copy as shall from time to time be prescribed by the Commissioner, with the approval of the standing committee, in this behalf.

(*7*) On or before each tenth day of October, the Commissioner shall give notice by advertisement in the local newspapers of the publication of the said list and of the place at which and the fee for which copies of it may be obtained.

(*8*) Every person whose name is not in the list so published and who claims to have it inserted therein shall, on or before the first day of November, give notice in writing of his claim to the Commissioner.

(*9*) Every person whose name is in the list may object to any other person as not being entitled to have his name retained therein. Every person

objecting shall, on or before the first day of November, give to the Commissioner and also give to the person objected to, or leave at his last known place of abode, notice in writing of the objection and of the nature thereof.

(*10*) If the name of any person is entered as a voter in more than one ward list, he may, by notice in writing, which he shall give to the Commissioner on or before the first day of November, choose for which one of those wards he shall be entitled to vote.

(*11*) If the name of an undivided family or of any association or body of individuals, other than a company or firm, has been entered in the list, or if the names of trustees, being two or more in number, of any building or land have been so entered, any one individual person duly authorized in this behalf by the members of such family, association or body or by such trustees may, by notice in writing, which he shall give to the Commissioner on or before the first day of November, apply that his name be entered in the list as the representative, for the purposes of the list, of such family, association, body or trustees.

(*12*) The Commissioner shall, on some one of the first ten days of November, revise the list prepared as aforesaid.

(*13*) He shall for this purpose hear the claims, objections and applications which have been duly made as aforesaid in open office, giving three clear days' notice of the holding of the inquiry by written notice served upon each claimant, person objecting and applicant and upon each person objected to, and also fixed on some conspicuous place in every municipal office.

(*18*) Where the objector so appears, the Commissioner shall require proof of the qualification of the person objected to, and if within such reasonable time as the Commissioner, subject to the provision of sub-section (*22*), fixes in this behalf, such person's qualification is not proved to his satisfaction, shall expunge his name from the list.

(*19*) The Commissioner shall not retain the name of one person in more than one ward list. If any person whose name has been entered in more than one ward list has not chosen as aforesaid, the Commissioner shall determine for which one of those wards he shall be entitled to vote. But this shall not be deemed to prevent the names of individual members of companies, firms, undivided families or other associations or bodies, or of persons who are trustees, which have been separately entered in the list under sub-section (*5*), from being retained on the list for one ward each, in addition to the names of the companies, firms, undivided families or other associations or bodies of which they are, respectively, members, or in addition to the names of the trustees, as the case may be, if such individuals or

persons are entitled on their own separate account to have their names so retained.

(*20*) The name of one person may be separately entered and retained by the Commissioner in the list as a voter of a ward and as a justice and as a fellow, or in any two of those capacities, if such person is entitled to be enrolled in the municipal election roll in all or both such capacities, as the case may be.

(*21*) If no individual person has applied as aforesaid to have his name entered in the list as the representative of an undivided family or other association or body, not being a company or a firm, or of two or more trustees of any building or land, the Commissioner shall determine what individual person shall be entitled to represent such undivided family, or other association or body, or trustees, and enter his name in the list as the person qualified to vote or to be elected, in behalf of the undivided family or other association or body, or of the trustees, as the case may be.

(*22*) The Commissioner may adjourn the hearing of any matter under this section from time to time, so that no adjourned hearing be held after the tenth day of November.

Appeals against Commissioner's orders on revision of the list by whom to be heard.

20. In the event of the Commissioner rejecting any claim, objection or choice duly made under the last preceding section, the claimant or objector or person aggrieved may, at any time within five days after such rejection, apply to the Chief Judge of the Small Cause Court, and the said Chief Judge shall, within twenty days after receipt of such application and after such inquiry as he deems necessary, make such order for correcting the list or otherwise as shall seem to him fit, and his order shall be conclusive.

Completion of the municipal election roll.

21. (*1*) When the list prepared as aforesaid has been revised by the Commissioner and corrected in

compliance with any order passed in this behalf by the Chief Judge aforesaid, a printed copy thereof, signed by the Commissioner, shall be the municipal election roll and shall come into operation on the 10th of December and continue in operation for the twelve months beginning on that day.

(2) The municipal election roll shall be divided and arranged in the same manner as the list from which it is made up. The separate ward lists, when completed, as hereinbefore provided, shall be called ward rolls. The ward rolls and the justices' roll and the fellows' roll shall collectively be deemed to constitute the municipal election roll.

(3) Every person enrolled in the municipal election roll shall be deemed to be entitled to vote at a ward election or as a justice or fellow, as the case may be, provided, in the case of a justice or a fellow, that such person be still a justice or fellow, as the case may be, at the time of the election; and every person not enrolled in the said roll shall be deemed to be not entitled so to vote.

(4) Printed copies of the municipal election roll shall be delivered to any person requiring the same, on payment of such reasonable fee for each copy as shall from time to time be prescribed by the Commissioner, with the approval of the standing committee, in this behalf.

(*3*) Unless and until they are so altered or re-apportioned, the number and respective boundaries of the wards and the number of councillors to be elected for each ward shall be as specified in Schedule B.

Notice to be given of day fixed for ward elections and justices' elections.

(*3*) All such deposits and investments shall be made by the Commissioner on behalf of the corporation, with the sanction of the standing committee, and, with the like sanction, the Commissioner may at any time withdraw any deposit so made or dispose of any securities and re-deposit or re-invest the money so withdrawn, or the proceeds of the disposal of such securities: but no order for making any deposit or investment, withdrawal or disposal under this section shall have any validity unless the same be in writing, signed by the Commissioner and one member of the standing committee and the municipal secretary.

125. The Commissioner shall, on or before each tenth day of November, have prepared and lay before the standing committee, in such form as the said committee shall from time to time approve—

(b) an estimate of all balances, if any, which will be available for re-appropriation or expenditure at the commencement of the next ensuing official year;

(*c*) a statement of proposals as to the taxation which it will, in his opinion, be necessary or expedient to impose under the provisions of this Act in the said year.

Budget-estimate to be prepared by the standing committee.

126. (*1*) The standing committee shall, on or as soon as may be after the tenth day of November, consider the estimates and proposals of the Commissioner and, after having obtained from the Commissioner such further detailed information, if any, as they shall think fit to require, and having regard to all the requirements of this Act, shall frame therefrom, subject to such modifications and additions therein or thereto as they shall think fit, a budget-estimate of the income and expenditure of the corporation for the next official year.

(*a*) propose, with reference to the provisions of Chapter VIII, the levy of municipal taxes at such rates and, in the case of town-duties, on such articles, as they shall think fit;

(*b*) provide for the payment, as they fall due, of all instalments of principal and interest for which the corporation may be liable under the provisions of Chapter V, or on account of any loan contracted after the passing of this Act, under Chapter VI;

(*c*) allow for a cash balance at the end of the said year of not less than one lakh of rupees.

(*3*) The Commissioner shall cause the budget-estimate, as finally appoved by the standing committee, to be printed and shall, not later than the fifteenth day of December, forward a printed copy thereof to the usual or last known local place of abode of each councillor.

(Chap. VII.—Revenue and Expenditure. Secs. 127—131.)

Consideration of budget-estimate by corporation.

127. At a meeting of the corporation which shall be called for some day in January, not later than the tenth, the budget-estimate prepared by the standing committee shall be laid before the corporation, and they shall proceed to consider the same.

Fixing of rates of taxes.

128. (*1*) The corporation shall, on or before the thirty-first day of January, after considering the standing committee's proposals in this behalf, determine, subject to the limitations and conditions prescribed in Chapter VIII, the rates at which municipal taxes shall be levied and the articles on which town-duties shall be levied in the next ensuing official year.

(*2*) Except under sections 134 and 196, the rates so fixed and the articles so appointed shall not be subsequently altered for the year for which they have been fixed.

Final adoption of budget-estimate.

129. Subject to the exigency of sub-section (*1*) of the last preceding section, the corporation may refer the budget-estimate back to the standing committee for further consideration, or adopt the budget-estimate or any revised budget-estimate submitted to them, either as it stands or subject to such alteration as they deem expedient: Provided that the budget-estimate finally adopted by the corporation shall fully provide for each of the matters specified in clauses (*b*) and (*c*) of section 126.

"Budget-grant" defined.

130. Any sum entered on the expenditure side of a budget-estimate which has been adopted by the corporation shall be termed a "budget-grant."

Corporation may increase amount of budget-grants and make additional grants.

131. (*1*) On the recommendation of the standing committee, the corporation may from time to time during an official year increase the amount of any budget-grant, or make an additional budget-grant for the purpose of meeting any special or unforeseen requirement arising during the said year,

but not so that the estimated cash balance at the close of the year shall be reduced below one lakh of rupees.

(*2*) Such increased or additional budget-grants shall be deemed to be included in the budget-estimate adopted by the corporation for the year in which they are made.

Rule as to unexpended budget-grants.

132. If any portion of a budget-grant remains unexpended at the close of the year in the budget-estimate for which such grant was included, and if the amount thereof has not been taken into account in the opening balance of the municipal fund entered in the budget-estimate of the next following year, the standing committee may sanction the expenditure of such unexpended portion during the next following year for the completion, according to the original intention or sanction, of the purpose or object for which the budget-grant was made, but not upon any other purpose or object.

Reduction or transfer of budget-grants.

133. (*1*) The standing committee may, if they think necessary, at any time during an official year—

(*a*) reduce the amount of a budget-grant ; or

(*b*) transfer and add the amount, or a portion of the amount, of one budget-grant to the amount of any other budget-grant in the budget-estimate :

Provided that—

(*c*) due regard be had when making any such reduction or transfer to all the requirements of this Act;

(*d*) the aggregate sum of the budget-grants contained in the budget-estimate adopted by the corporation shall not be increased, except by the corporation under section 131;

(*e*) every such reduction or transfer shall be brought to the notice of the corporation at their next meeting.

(*2*) If any such reduction or transfer is of an amount exceeding five hundred rupees, the corporation may pass with regard thereto such order as they think fit, and it shall be incumbent on the standing committee and the Commissioner to give effect to the said order.

Re-adjustment of income and expenditure to be made by the corporation during the course of the official year whenever necessary.

134. (*1*) If it shall at any time during any official year appear to the corporation, upon the representation of the standing committee, that notwithstanding any reduction of budget-grants that may have been made by the standing committee under the last preceding section, the income of the municipal fund during the said year will not suffice to meet the expenditure sanctioned in the budget-estimate of the said year and to leave at the close of the year a cash balance of not less than one lakh of rupees, it shall be incumbent on the corporation to forthwith sanction any measure which shall be necessary for proportioning the year's income to the expenditure.

(*2*) For this purpose, the corporation may either diminish the sanctioned expenditure of the year, so far as it may be possible so to do with due regard to all the requirements of this Act, or have recourse to supplementary taxation.

Scrutiny and Audit of Accounts.

Weekly scrutiny of accounts by standing committee.

135. (*1*) The standing committee shall conduct, or cause to be conducted under their superintendence, a weekly scrutiny of the municipal accounts and publish weekly an abstract of the receipts and expenditure of the week last preceding, signed by not less than two members of the said committee and by the municipal secretary.

(*2*) For this purpose, the standing committee shall have access to all the municipal accounts and to all records and correspondence relating thereto, and the Commissioner shall forthwith furnish to the standing committee any explanation concerning receipts and disbursements which they may call for.

Appointment of municipal auditors.

136. (*1*) The municipal accounts shall also be examined and audited from week to week by auditors specially appointed in this behalf for each official year by the corporation.

(*2*) The auditors so appointed may—

(*a*) by summons in writing, require the production before them of any book, deed, contract, account, voucher or other document or paper necessary for the proper conduct of their audit;

(*b*) by summons in writing, require any person having the custody or control of, or accountable for, any such book, deed, contract, account, voucher or other document or paper to appear in person before them;

(*c*) require any person so appearing before them to make and sign a declaration with respect to such book, deed, contract, account, voucher or other document or paper.

(*3*) The auditors so appointed shall receive such reasonable remuneration, not exceeding in the whole ten thousand rupees per annum, as the corporation shall from time to time determine.

Information and report to be furnished by auditors.

137. (*1*) The auditors so appointed shall forthwith report to the standing committee any material impropriety or irregularity which they may at any time observe in the expenditure or in the recovery of moneys due to the corporation or in the municipal

accounts, and shall furnish to the standing committee such information as the said committee shall from time to time require concerning the progress of their audit, and shall, as soon as may be after the commencement of each official year, deliver to the standing committee a report upon the whole of the municipal accounts for the previous official year.

(*2*) The Commissioner shall cause the said report to be printed and forward a printed copy thereof along with the printed copy of the administration report and statement of accounts which he is required by sub-section (*3*) of section 124 to forward to each councillor.

A special audit may be directed by the Governor in Council.

138. (*1*) The Governor in Council may at any time appoint an auditor for the purpose of making a special audit of the municipal accounts and of reporting thereon to Government: and [a] the costs of any such audit [b] as determined by the Governor in Council shall [b] be chargeable to the municipal fund.

(*2*) An auditor so appointed may exercise any power which an auditor appointed by the corporation may exercise.

Halálkhor-tax.

(*b*) a halálkhor-tax of so many per centum, not exceeding three, of their rateable value as will, in the opinion of the corporation, suffice to provide for the collection, removal and disposal, by municipal agency, of all excrementitious and polluted matter from privies, urinals and cesspools and for efficiently maintaining and repairing the municipal drains constructed or used for the reception or conveyance of such matter, subject, however, to the provisos that the minimum amount of such tax to be levied in respect of any one separate holding of land, or of any one building or of any one portion of a building which is let as a separate holding, shall be four annas per month, and that the amount of such tax to be levied in respect of any hotel, club or other large premises may be specially fixed under section 172;

(*c*) a general tax of not less than eight and not more than twelve per centum of their rateable value, together with not less than one-eighth and not more than three-quarters per centum of their rateable value added thereto in order to provide for the expense necessary for fulfilling the duties of the corporation arising under clause (*k*) of section 61 and Chapter XIV. 141. Subject to the provisions of section 169, the water-tax shall be levied only in respect of premises— Water-tax on what premises to be levied.

(*2*) Provided that the said tax shall not be levied in respect of any premises situated in any portion of the city specified in clause (*a*), in or upon which, in the opinion of the Commissioner, no such matter as aforesaid accumulates or is deposited.

(*3*) If the Commissioner directs, under sub-section (*2*) of section 248, that a separate water-closet, privy or urinal need not be required for any premises, the halálkhor-tax shall nevertheless be levied in respect of the said premises, if, but for such direction, the same would be leviable in respect thereof.

143. (*1*) The general tax shall be levied in respect of all buildings and lands in the city, except—

(*a*) buildings exclusively occupied for public worship or for charitable purposes;

(*c*) buildings in which any trade or business is carried on; and

Payment to be made to the corporation in lieu of the general tax by the Secretary of State for India in Council.

144. (*1*) The Secretary of State for India in Council shall pay to the corporation annually, in lieu of the general tax from which buildings and lands vesting in Her Majesty [a] are exempted by clause (*b*) of section 143, a sum ascertained in the manner provided in sub-sections (*2*) and (*3*).

(*2*) The rateable value of the buildings and lands in the city vesting in Her Majesty[a] and beneficially occupied, in respect of which, but for the said exemption, general tax would be leviable from the Secretary of State for India in Council, shall be fixed by a person from time to time appointed in this behalf by the Governor in Council, with the concurrence of the corporation. The said value shall be fixed by the said person, with a general regard to the provisions hereinafter contained concerning the valuation of property assessable to property-taxes, at such amount as he shall deem to be fair and reasonable. The decision of the person so appointed shall hold good for a term of five years, subject only to proportionate variation, if in the meantime the number or extent of the buildings and lands vesting in Her Majesty[a] in the city materially increases or decreases.

(*3*) The sum to be paid annually to the corporation by the Secretary of State for India in Council shall be eight-tenths of the amount which would be payable by an ordinary owner of buildings or lands in the city, on account of the general tax, on a rateable value of the same amount as that fixed under sub-section (*2*).

Amendment of section 36, Bombay Act VI of 1879.

[b] **145.** For section 36 of the Bombay Port Trust Act, 1879, the following section shall be substituted, namely—

Bom. VI of 1879.

[a] The words "Her Majesty" were substituted for the original words by Bom. IV of 1888, s. 5.

[b] *Vide* also Bom. II of 1901, s. 2.

(See the revised edition of this Act, as modified up to 1st August 1900, issued by the Legislative Department.)

Liability for Property-taxes.

Primary responsibility for property-taxes on whom to rest.

146. (*1*) Property-taxes shall be leviable primarily from the actual occupier of the premises upon which the said taxes are assessed, if such occupier holds the said premises immediately from Government or from the corporation or from a fazendár.

(*2*) Otherwise the said taxes shall be primarily leviable as follows, namely—

(*a*) if the premises are let, from the lessor;

(*b*) if the premises are sub-let, from the superior lessor;

(*c*) if the premises are unlet, from the person in whom the right to let the same vests.

(*3*) But if any land has been let for any term exceeding one year to a tenant, and such tenant has built upon the land, the property-taxes assessed upon the said land and upon the building erected thereon shall be primarily leviable from the said tenant or his legal representative, whether the premises be in the occupation of the said tenant or of his legal representative, or of a sub-tenant.

Apportionment of responsibility for property-tax when the premises assessed are let or sub-let.

147. (*1*) If any premises assessed to any property-tax are let, and their rateable value exceeds the amount of rent payable in respect thereof to the person from whom, under the provisions of the last preceding section, the said tax is leviable, the said person shall be entitled to receive from his tenant the difference between the amount of the property-tax levied from him and the amount which would be leviable from him if the said tax were calculated on the amount of rent payable to him.

(2) If the premises are sub-let and their rateable value exceeds the amount of rent payable in respect thereof to the tenant by his sub-tenant, or the amount of rent payable in respect thereof to a sub-tenant by the person holding under him, the said tenant shall be entitled to receive from his sub-tenant, or the said sub-tenant shall be entitled to receive from the person holding under him, as the case may be, the difference between any sum recovered under this section from such tenant or sub-tenant and the amount of property-tax which would be leviable in respect of the said premises if the rateable value thereof were equal to the difference between the amount of rent which such tenant or sub-tenant receives and the amount of rent which he pays.

(3) Any person entitled to receive any sum under this section shall have, for the recovery thereof, the same rights and remedies as if such sum were rent payable to him by the person from whom he is entitled to receive the same.

Person primarily liable for property-tax entitled to credit, if he is a rent-payer.

148. If any person who is primarily liable for the payment of any property-tax himself pays rent to another person other than Government or the corporation in respect of the premises upon which such tax is assessed, he shall be entitled to credit in account with such other person for such sum as would be leviable on account of the said tax if the amount of the rent payable by him were the rateable value of the said premises.

Notice of transfer, &c., of premises assessable to Property-taxes.

Notice to be given to the Commissioner of all transfers of title of persons primarily liable to payment of property-tax.

149. (1) Whenever the title of any person primarily liable for the payment of property-taxes on any premises to or over such premises is transferred, the person whose title is so transferred and the person to whom the same shall be transferred shall,

within three months after execution of the instrument of transfer, or after its registration, if it be registered, or after the transfer is effected, if no instrument be executed, give notice of such transfer, in writing, to the Commissioner.

(*2*) In the event of the death of any person primarily liable as aforesaid, the person to whom the title of the deceased shall be transferred, as heir or otherwise, shall give notice of such transfer to the Commissioner within one year from the death of the deceased.

Form of notice.

150. (*1*) The notice to be given under the last preceding section shall be in the form either of Schedule E or Schedule F, as the case may be, and shall state clearly and correctly all the particulars required by the said form.

(*2*) On receipt of any such notice, the Commissioner may, if he thinks it necessary, require the production of the instrument of transfer, if any, or of a copy thereof obtained under section 57 of the Indian Registration Act, 1877. III of 1877

Liability for payment of property-taxes to continue in the absence of any notice of transfer.

151. (*1*) Every person primarily liable for the payment of a property-tax on any premises, who transfers his title to or over such premises without giving notice of such transfer to the Commissioner as aforesaid, shall, in addition to any other liability which he incurs through such neglect, continue liable for the payment of all property-taxes from time to time payable in respect of the said premises until he gives such notice, or until the transfer shall have been recorded in the Commissioner's books.

(*2*) But nothing in this section shall be held to diminish the liability of the transferee for the said property-taxes, or to affect the prior claim of the Commissioner on the premises, conferred by section 212, for the recovery of the property-taxes due thereupon.

Notice to be given to the Commissioner of the erection of a new building, &c.

152. (*1*) When any new building is erected, or when any building is rebuilt or enlarged,

or when any building which has been vacant is re-occupied,

the person primarily liable for the property-taxes assessed on the building shall within fifteen days give notice thereof, in writing, to the Commissioner.

(*2*) The said period of fifteen days shall be counted from the date of the completion or of the occupation, whichever first occurs, of the building which has been newly erected or rebuilt, or of the enlargement, as the case may be, and in the case of a building which has been vacant, from the date of the re-occupation thereof.

Notice to be given to the Commissioner of demolition or removal of a building.

153. (*1*) When any building or any portion of a building, which is liable to the payment of a property-tax, is demolished or removed, otherwise than by order of the Commissioner, the person primarily liable for the payment of the said tax shall give notice thereof, in writing, to the Commissioner.

(*2*) Until such notice is given, the person aforesaid shall continue liable to pay every such property-tax as he would have been liable to pay in respect of such building, if the same, or any portion thereof, had not been demolished or removed.

Valuation of Property assessable to Property-taxes.

Rateable value how to be determined.

154. (*1*) In order to fix the rateable value of any building or land assessable to a property-tax, there shall be deducted from the amount of the annual rent for which such land or building might reasonably be expected to let from year to year a sum equal to ten per centum of the said annual rent, and the said deduction shall be in lieu of all allowance for repairs or on any other account whatever.

(*2*) The value of any machinery contained or situate in or upon any building or land shall not be included in the rateable value of such building or land.

Commissioner may call for information or returns from owner or occupier or enter and inspect assessable premises.

155. (*1*) To enable him to determine the rateable value of any building or land and the person primarily liable for the payment of any property-tax leviable in respect thereof, the Commissioner may require the owner or occupier of such building or land, or of any portion thereof, to furnish him, within such reasonable period as the Commissioner prescribes in this behalf, with information, or with a written return signed by such owner or occupier,—

(*a*) as to the name and place of abode of the owner or occupier, or of both the owner and occupier of such building or land; and

(*b*) as to the dimensions of such building or land, or of any portion thereof, and the rent, if any, obtained for such building or land, or any portion thereof.

(*2*) Every owner or occupier on whom any such requisition is made shall be bound to comply with the same and to give true information or to make a true return to the best of his knowledge or belief.

(*3*) The Commissioner may also, for the purpose aforesaid, make an inspection of any such building or land.

Assessment-book.

Assessment-book what to contain.

156. The Commissioner shall keep a book, to be called "the assessment-book," in which shall be entered every official—

(*a*) a list of all buildings and lands in the city, distinguishing each, either by name or number, as he shall think fit;

(*b*) the rateable value of each such building and land determined in accordance with the foregoing provisions of this Act;

206. (*1*) If the warrant is not in the meantime suspended by the Commissioner or discharged, the goods and chattels seized shall, after the expiry of the period named in the notice served under the last preceding section, be sold by order of the Commissioner, who shall apply the proceeds or such part thereof as shall be requisite, in discharge of the sum due and of the costs of recovery.

(*2*) The surplus, if any, shall be forthwith credited to the municipal fund, but, if the same be claimed by written application to the Commissioner within one year from the date of the sale, a refund thereof shall be made to the person in possession of the goods and chattels at the time of the seizure. Any surplus not claimed within one year as aforesaid shall be the property of the corporation.

Fees for distraints.

207. For every distraint made under this Act a fee shall be charged at the rate set forth in Schedule L, and the said fee shall be included in the costs of recovery.

Fees for cost of recovery may be remitted.

208. The Commissioner may, in his discretion, remit the whole or any part of any fee chargeable under the last preceding section or under sub-section (*2*) of section 202.

When occupiers may be held liable for payment of property-taxes.

209. (*1*) If the sum due on account of any property-tax remains unpaid after a bill for the same has been duly presented to the person primarily liable for the payment thereof, and the said person be not the occupier for the time being of the premises in respect of which the tax is due the Commissioner may present a bill for the amount to the occupier of the said premises, or, if there are two or more occupiers thereof, may present a bill to each of them for such portion of the sum due as bears to

the whole amount due the same ratio which the rent paid by such occupier bears to the aggregate amount of rent paid by them both or all in respect of the said premises.

(*2*) If the occupier or any of the occupiers fails within fifteen days from the presentation of any such bill to pay the amount therein claimed, the said amount may be recovered from him in accordance with the foregoing provisions.

(*3*) No arrear of a property-tax shall be recovered from any occupier under this section, which has remained due for more than one year, or which is due on account of any period for which the occupier was not in occupation of the premises on which the tax is assessed.

(*4*) If any sum is paid by, or recovered from, an occupier under this section, he shall be entitled to credit therefor in account with the person primarily liable for the payment of the same.

Summary proceedings may be taken against persons about to leave the city.

210. (*1*) If the Commissioner shall at any time have reason to believe that any person from whom any sum is due on account of any property-tax or tax on vehicles and animals, or who would be liable for any sum on account of the tax on vehicles and animals if the current quarter had come to a close, is about forthwith to remove from the city, the Commissioner may direct the immediate payment by such person of the sum so due or about to become due by him and cause a bill for the same to be presented to him.

(*2*) If, on presentation of such bill, the said person do not forthwith pay the sum due or about to become due by him, the amount shall be leviable by distress and sale in the manner hereinbefore prescribed, except that it shall not be necessary to serve upon the defaulter any notice of demand, and

the Commissioner's warrant for distress and sale may be issued and executed without any delay.

Defaulters may be sued for arrears, if necessary.

211. Instead of proceeding against a defaulter by distress and sale as hereinbefore provided, or after a defaulter shall have been so proceeded against unsuccessfully or with only partial success, any sum due or the balance of any sum due, as the case may be, by such defaulter, on account of a property-tax or of the tax on vehicles and animals, may be recovered from him by a suit in any Court of competent jurisdiction.

Property-taxes to be a first charge on premises on which they are assessed.

212. Property-taxes due under this Act in respect of any building or land shall, subject to the prior payment of the land-revenue, if any, due to Government thereupon, be a first charge upon the said building or land and upon the goods and chattels, if any, found within or upon such building or land and belonging to the person liable for such taxes.

Collection of tolls and town-duties how to be effected.

213. (*1*) Tolls on vehicles entering the city from Sálsette and town duties—

(*a*) may be collected, under the orders of the Commissioner, by municipal officers and servants appointed in this behalf; or

(*b*) if the Commissioner thinks fit, may, with the approval of the standing committee, be farmed by him for any period not exceeding one year at a time or be collected by or under the orders of any person whom the Commissioner, with the approval of the standing committee, appoints to be his agent for this purpose.

(*2*) The said tolls and town-duties shall be collected, and refunds of town-duties shall be made, at such places, and be managed and controlled in such manner, as the Commissioner, with the approval of the standing committee, shall from time to time direct.

Procedure in case of non-payment of toll.

214. (*1*) If any toll payable in respect of a vehicle entering the city from Salsette is not paid on demand, the person authorized under section 213 to collect the same may seize—

(*a*) any part of the contents of the vehicle in respect of which the toll is payable of sufficient value to defray the toll; or

(*b*) if the vehicle is empty, or the contents are of insufficient value to defray the toll, the vehicle itself.

(*2*) If the toll and the costs, if any, incurred on account of the seizure, remain undischarged for twenty-four hours after the seizure, the case shall be reported to the Commissioner, and the Commissioner shall forthwith issue a public notice, fixing some convenient time within three days after the date of the seizure for the sale by public auction of the property which has been seized.

(*3*) If, at any time before the sale is commenced in accordance with such public notice, the person in whose possession the property was at the time it was seized shall pay to the Commissioner a sum equal to double the amount of the toll due, together with all the expenses incurred on account of the non-payment of the toll and of the seizure and intended sale, the Commissioner shall forthwith release the property seized.

(*4*) If such payment is not made, the property seized shall be sold by auction in accordance with the public notice, and the proceeds shall be devoted to the discharge of the toll and of all expenses incurred on account of the non-payment of the toll and of the seizure and sale. The surplus, if any, shall be forthwith credited to the municipal fund, but, if the same be claimed by written application to the Commissioner within one year from the date of the sale, a refund thereof shall be made to the

person in whose possession the property was at the time of the seizure. Any surplus not claimed within one year as aforesaid shall be the property of the corporation.

Powers of persons authorized to collect and refund town-duties.

215. Every person authorized under section 213 to collect or to refund town-duties shall have, in respect of the collection of the said duties and of paying refunds and of the confiscation of goods in connection therewith, the same powers as are conferred by any law at the time in force on the Commissioner of Customs of Bombay and the officers subordinate to him in respect of the levy of customs-duties and of the grant of drawbacks and of the confiscation of goods in connection therewith, and shall also have the same privileges and be subject to the same liabilities in respect of anything done by him in or for the purpose of collecting or refunding town-duties as the said Commissioner of Customs and the officers subordinate to him have or are subject to under any law at the time in force relating to customs-duties.

Writing off of irrecoverable taxes.

216. The Commissioner may, with the approval of the standing committee, from time to time write off any sum due on account of any tax or of the costs of recovering any tax, which shall, in his opinion, be irrecoverable.

Cause of complaint when to be deemed to have accrued.

218. For the purposes of the last preceding section, cause of complaint shall be deemed to have accrued as follows, namely—

(*a*) in the case of an appeal against a rateable value, on the day when the complaint made to the Commissioner under section 163 against such value is disposed of;

(*b*) in the case of an appeal against any amendment made in the assessment-book, under section 167, during the official year, on the day when the complaint made to the Commissioner by the person aggrieved against such amendment is disposed of;

(Chap. VIII.—Municipal Taxation Sec. 219. Chap. IX.—Drains and Drainage-works. Secs. 220-220A.)

(*3*) In the exercise of any power under this section, as little damage as can be shall be done, and compensation shall be paid by the Commissioner to any person who sustains damage by the exercise of such power.

Buildings, &c., not to be erected without permission over drains.

223. (*1*) Without the written permission of the Commissioner, no building, wall or other structure shall be newly erected, and no street or railway shall be constructed, over any municipal drain.

Alteration and discontinuance of drains.

224. (*1*) The Commissioner may enlarge, arch over or otherwise improve any municipal drain, and may discontinue, close up or destroy any such drain which has, in his opinion, become useless or unnecessary.

(*2*) Provided that the discontinuance, closing up or destruction of any drain shall be so done as to create the least practicable nuisance or inconvenience to any person, and, if by reason of anything done under this section any person is deprived of the lawful use of any drain, the Commissioner shall, as soon as may be, provide for his use some other drain as effectual as the one which has been discontinued, closed up or destroyed.

Rights of owners and occupiers of premises to carry drains through land belonging to other persons.

230. (*1*) If it shall appear to the Commissioner that the only means or the most convenient means, by which the owner or occupier of any premises can cause his drain to empty into a municipal drain [a] or other place legally set apart for the discharge of drainage, [a] is by carrying the same into, through or under any land belonging to some person other than the said owner or occupier, the Commissioner, after giving to the owner of the land a reasonable opportunity of stating any objection, may, with the approval of the standing committee, if no objection is raised, or if any objection which is raised appears to him invalid or insufficient, by an order in writing, authorize the said owner or occupier to carry his drain into, through or under the said land in such manner as he shall think fit to allow.

(*2*) Every such order, bearing the signature of the Commissioner, shall be a complete authority to the person in whose favour it is made, or to any agent or person employed by him for this purpose, after giving to the owner of the land reasonable written notice of his intention so to do, to enter upon the said land with assistants and workmen, at any time between sunrise and sunset, and to execute the necessary work.

(*4*) In executing any work under this section, as little damage as can be shall be done, and the owner or occupier of premises [a] for the benefit of which [a] the work is done shall—

(*a*) cause the work to be executed with the least practicable delay;

(*b*) fill in, reinstate and make good, at his own cost and with the least practicable delay, the ground or portion of any building or other construction opened, broken up or removed for the purpose of executing the said work;

(*c*) pay compensation to any person who sustains damage by the execution of the said work.

(*5*) If the owner of any land, into, through or under which a drain has been carried under this section whilst such land was unbuilt upon, shall, at any time afterwards, desire to erect a building on such land, the Commissioner shall, with the approval of the standing committee, by written notice, require the owner or occupier of the premises for the benefit of which such drain was constructed to close, remove or divert the same in such manner as shall be approved by the said committee, and to fill in, reinstate and make good the land as if the drain had not been carried into, through or under the same: Provided that no such requisition shall be made, unless, in the opinion of the standing committee, it is necessary or expedient, in order to admit of the construction of the proposed building or the safe enjoyment thereof, that the drain be closed, removed or diverted.

(*a*) to make a drain of such material, size and description and laid at such level [a] and according to such alignment [a] and with such fall and outlet as may appear to the Commissioner necessary, emptying into such municipal drain or place aforesaid :

233. (*1*) Where a drain connecting any premises with a municipal drain [a] or other place legally set apart for the discharge of drainage [a] is sufficient for the effectual drainage of the said premises and is otherwise unobjectionable, but is not, in the opinion of the Commissioner, adapted to the general drainage system of the city, [b] or of the part of the city in which such drain is situated, [b] the Commissioner, with the approval of the standing committee, may—

(*2*) The Commissioner shall at all times keep all meters and other instruments for measuring water, let by him for hire to any person, in proper order for correctly registering the supply of water, and in default of his so doing such person shall not be liable to pay rent for the same during such time as such default continues.
